Berlin: The Essential Tour

\$7.9

Perhaps no city encapsulates the history of twentieth century better than Berlin. Through two world wars, the Holocaust and the iron curtain, Berlin has risen from the ashes to become one of Europe's coolest cities. This tour tells the story from beginning to end and then some.

ADD TO CART

Beginning in former West Berlin, this tour takes you into the heart of the East providing a general overview of all the major sites along the way and tracing the history of Berlin from its earliest days through reunification and beyond.
